

Community of Spiritual Directors

The Community of Spiritual Directors has been created, and is supported, by the London Centre for Spiritual Direction to enable spiritual directors to gather and share their many gifts. We welcome as members those who offer the ministry of spiritual direction and who have agreed to observe our Code of Practice and Safeguarding Guidelines.

The Centre receives many requests from people looking for a spiritual director. The Community Warden is also our Referrals Coordinator and will put them in contact with Community members who have spaces for new directees. When you join, you will be invited to indicate your particular interests and experience so that we can suggest a potential match. Enquirers are usually offered the names of three directors.

Accompanied journey: deepening prayer: growing faith

We are a growing, nationwide and ecumenical community of spiritual directors who support one another in prayer and share news, ideas and questions as we try to make this a less isolated ministry than it sometimes feels.

Our Community Warden provides a point of contact as well as pastoral support for our members. It's important to note that we are not seeking to replace or compete with other regional or denominational networks to which spiritual directors might belong; we actively invite members of other networks to join us and share resources, helping to foster our diverse and ecumenical identity.

We particularly welcome applications from directors who live at a distance from London but want to feel that they still belong to the Centre, and to remain in contact with other directors.

The Community also offers its members opportunities to connect with one another and share resources. We are working to provide a regularly updated collection of resources available to members only through the website, as well as to develop events and other opportunities for members.

We offer two levels of membership in the Community of Spiritual Directors.

1. Basic (£10 a year) which includes our regular community bulletin and advance notice of events like our Network Day.

2. Directory (£25 a year) which, as the name suggests, also includes an entry in our online Directory of Spiritual Directors so that seekers can read about you and make contact directly if they wish.
